Dedication

The annual staff deems it an honor to dedicate the 1963 issue of GREGO to a teacher who gives unselfishly of her time, who is devoted to the instruction and welfare of the students of Fremont High School, and who is the truly professional teacher without whom this annual would be impossible. To our teacher, friend, and sponsor—MRS. ELIZABETH BLACKMAN—we dedicate this annual.

Superintendent's Message

LINDSAY C. ROBINSON

To The Seniors:

In the years to come many times you will turn to this volume, the 1963 Grego, to the smiling pictures and printed pages to recall the pleasant hours spent at Fremont High School. Although your career as a high school student is ended, you leave secure in the knowledge that we who remain behind will forever count you among our friends.

Education is a process of disciplining the mind and character through study and instruction, but it need not be confined to the classroom. Here at Fremont, a small school, you have had the opportunity to be a participant rather than a spectator and to find yourself as an individual. You have also had the opportunity to develop character.

It has been my privilege to know you for only a short time, but I believe that you have acquired an ability to see clearly, to decide wisely, and to act justly.

I am pleased to join the School Board and Faculty in congratulating you upon your accomplishments.

MOTTO: "We have crossed the bay, the ocean lies beyond."

Busiest of all our school years, 1962-1963 has permitted us only brief moments of respite from those arduous, but pleasant, tasks that are a part of every senior's life. We, too, have been overwhelmed with the annual, basketball, contests, dances, exercises, football games, homework, invitations, jewelry, knots, lessons, money-raising, note-taking, oratory, plays, quizzes, rehearsals, S.A.T., tests, ulcers, victories, weather, X-rays, yarns, and zephyrs.

And we emerged at last—Juniors! How beautiful was that word to our ears! We knew that this year, of all years, must be ours. Almost immediately we learned that magazines must be sold if we were to assume the full responsibility that we were assigned. Then came the long awaited trip to historic Williamsburg. Then spring came and the Junior-Senior banquet was ours for a Gypsy theme. May posterity be kind in evaluating our junior year a successful one.
